

Gov.-Gen. Boyd To Be Guest Of Mayflower Unit

TACOMA, Saturday, Jan. 14.—Governor-General Robert Munro Boyd, Jr., of the General Society of Mayflower Descendants, honors Washington tonight by meeting with the state branch at dinner in the Tacoma Hotel. Two reasons led the governor-general to set the event in Tacoma. The first was the fact that Mr. Arthur H. Bassett, head of the state branch, is a Tacoman. The second centers in the fact that Mr. Boyd's cousin, Mr. James M. Keen, resides here. Mr. and Mrs. Boyd arrived last evening and are registered at Hotel Winthrop until Monday, dividing the days with Mr. and Mrs. Keen and Miss Helen.

Seattle officials of the State Society of Mayflower Descendants include Mr. Taylor M. Greene, Mr. Chester W. Eldredge, Mrs. Bertha Caldwell Calvert and Mr. Warren Greene. Trustees are Mrs. Mabel McKinley Hopkins, Mrs. Ida Soule Kuhn, Mrs. Harriette Louise Parkhurst, Mrs. Roberta Frye Watt, Mrs. Ada Caldwell White, Mr. Rolland Herchell Denny and Mr. James Thomas Cushman.

Mayflower descendants, eligible to membership in the organization, have received invitations to the no-host dinner Saturday, three score being expected. Music by Mrs. George Duncan, accompanied by Mrs. Frank Worden, will be the only number on the program aside from the address of the governor-general.

Mr. and Mrs. Boyd live in Montclair, N. J., and their visit at this time to the Coast finds its chief reason in the national convention at San Francisco. The return of the travelers will be made next week, their departure for the usual season in Florida being set late in January.
